AYER'S PILLS

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

Thene has long existed a public demand for an effective purgative pill which rould be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively snown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections but all the advantages, of every other. This has been attempted here, and with whnt success wa would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unices it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their uso in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Langung and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Agne, Pann in the Side and Loins; for, in truth, all these apput the consequence of diseased nction in the liver. As an aperient, they affurd prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatsum, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the

a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto teen available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

So wide is the field of its usefulness, and so numerous the cases of its curs, that almost every section of the country abounds in persons publirly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When noce tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no lunger hesitate what antidote to employ for the distressing and dangerous affections of the pulnomary organs which are incident to our climate. And not only in formidable attacks upon the lungs, but for the milder varieties of Colds, Coudis, Hearseness, &c.; and for Childnen it is the pleasantest and safest medicine that can be obtained.

NEW AND VALUABLE. The most powerful King on the face of the globe now relgns supreme in the American Republic. The power of the crowned heads of Europe sink into insignificance when compared to our American King.

Enropeau kings employ the power vested in them to increase the riches of the rich and lordly, and to reduce to greater misery and degradation, the poor and dependent. Our American King poes forth with equal willingness to the lordly mansion and to other health and happiness to the loftly and lowly, the rich and the poor. DR. JOHN BULL'S

GREAT AMERICAN KING Is the TANN WOMER OF THE WOME, and the greatest blessing ever offered to afflicted humanity; to the adfering inflicions the boctor can say, relief is anyour command. You have only to use this magleaf remedy. All those who still surbir, and will net accept the proferred Balu, deserte not the pity of their families.

This won kerfol medicine, during the brief period since its introduction, has carried happiness to the hearts of thee-sands, and made life a charm to many who horotofor regarded it only as a panuful and miserable existence.

three-sands, and made life a charm to many who horotofore regarded it only as a painful and miserable existeure.

To the winds with all liniments. Embrocations. Pain
Killers, and l'ain Extractors, and let millions of glad
tongues proclaim the merits of the great "American
King of Pram," a preparation composed solely of vegotables and roots, produced by America'a own rich and
bounteous soil.

We would aak the Lapizs, who are always competent
judges of what is and what is not a valuable family medirlne, to do us a special fivor by giving the King of Pain
a single trial, and if satisfactivy, each their influence
in its lehalf recommend it, speak well and often of it,
and see that it is used by their afflicted neighbors. The
Ladies are always charitable, and when they induce their
suffering friends to use this really valuable medicine,
they will be doing an act of benevoleoce that they can
well be proud of. This is a powerful and truly-magical
remedy for all external discusses sores, swellings, burns,
&c., and for many internal afflictions it is a certain cure,
yet it is perfectly harmless, and the spable of producing
the least unarious effects in the most delicate cases or
the weakest constitution.

It is entirely useless to follow the old and worn-out
system of publishing to the public thousands of certificates of wonders performed by this medicine. It costs
but twenty-live cents to try it, and Dr. Bull stakes his
well-carned reputation on the King of Pain doing all
and more than he claims for it.

We would ask have you the Rheumatism or Gout;
these are not pleasant companions, and we know that
you would like to drive them away as soon as possible,
then use

"BULL'S KING OF PAIN."

Would you be cured almost Immediately of Bowel Complaint, Desentery, Summer Complaint, Cholera Morbus (Taung Chole, Head Ache, Tooth or any other ache or pain, the remedy is simple and the cura certain, USE THE GREAT KING OF PAIN. THE PRIZE CONCERT TO NIGHT.—The Lumbard Troupe give at Odd-Fellows' Hall, to night, another entertainment. In addition to good music the holder of each ticket will have a chance to draw a magnificent prize, in the shape of a fine piano. This is none of the many humbug prize concerts of the day. The piano belongs to a gentleman of this place, and we know the drawing will be conducted fairly and honorably. It is necessary that about 300 tickets be sold to insure the drawing, and in case enough are not sold the money will be refunded. Let every one take a chance and try their luck.
